Answer these questions to the best of your knowledge. If any of the questions are answered "No," your home is likely to have an elevated/disclosable earthquake risk. If you do not have actual knowledge as to whether these risks exist, answer "Don't Know." Questions answered "Don't Know" may indicate a need for further evaluation. If your home does not have the feature, answer "Doesn't Apply." If you corrected one or more of these risks, describe the work on a separate page. The page numbers in the right-hand column indicate where in this guide you can find information on each of these features.

Residential Earthquake Risk Disclosure Statement Addendum

3704 Robinson Place, San Diego, CA 92103

If you corrected one or more earthquake weaknesses, please describe the work performed:

Is there anything else you would like to disclose?

While structural foundation work has been done to the home, no earthquake retrofitting has been to my knowledge.
